

About This Group:

Welcome to the City of Hope Network — a community of believers, volunteers, and neighbors uniting to bring practical hope and healing to those in need. Inspired by **Nehemiah 3**, we believe that when everyone builds their part of the wall, together we rebuild the whole city.

Here you can:

- Share ideas and local success stories.
- Post community needs (food, clothing, housing, prayer).
- Offer your time, skills, or resources.
- Encourage one another through testimonies, scriptures, and answered prayers.

This group is a safe place for collaboration, encouragement, and action. Let's work together across denominations, professions, and backgrounds to be the hands and feet of Jesus—right where we live.

Guidelines:

1. Be kind and respectful.
2. No judgment or criticism of others' beliefs or experiences.
3. Keep posts solution-focused and encouraging.
4. Celebrate progress, no matter how small.

"Let us rise up and build." — Nehemiah 2:18
